SKU: AZY802M-CTAC

ⓘ Notice : Be careful not to pinch your fingers when installing the metal frames. Use professional tools for unpacking, and be careful to avoid damaging the fabric. These steps should be performed by adults.

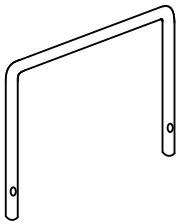

Parts List

A x1

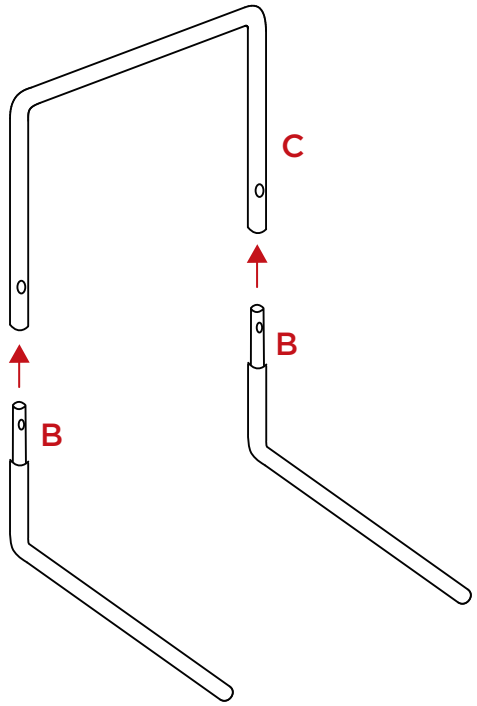

B x2

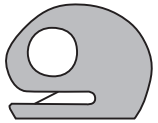

C x1

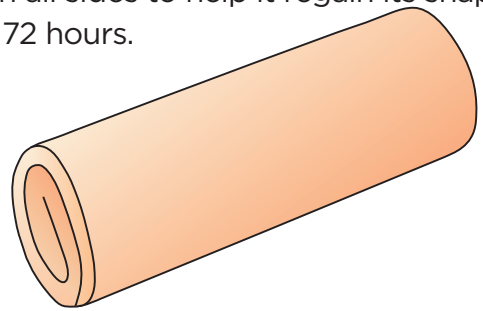

1.Press the cylindrical pin on part B and insert it into tube C. Align with the hole inside the tube and release to lock in place.

2.Please use the professional tool (A) to unpack the packages. Gently pat the back cushion on all sides to help it regain its shape, then let all parts stand for at least 72 hours.

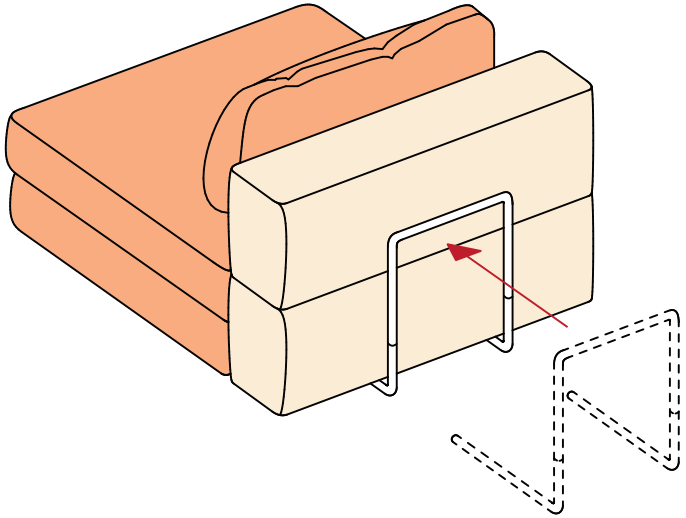

A

3.Insert the metal frame into the bottom of the sofa to stabilize the structure.

By rearranging the sofa blocks, it can also be transformed into a sofa bed, a toy sofa, and other functional forms.

ⓘ Notice : Be careful not to pinch your fingers when installing the metal frames. Use professional tools for unpacking, and be careful to avoid damaging the fabric. These steps should be performed by adults.

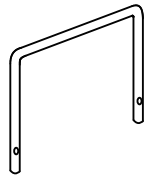

Parts List

A x1

B x6

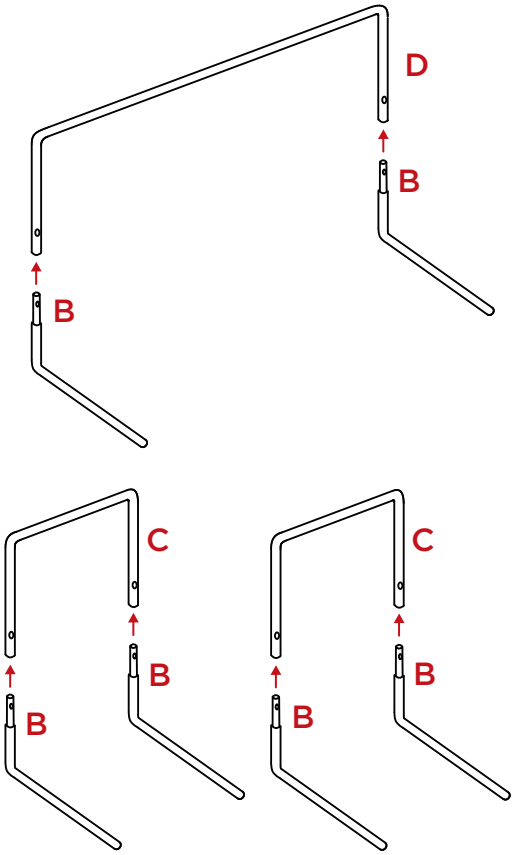

C x2

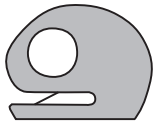

D x1

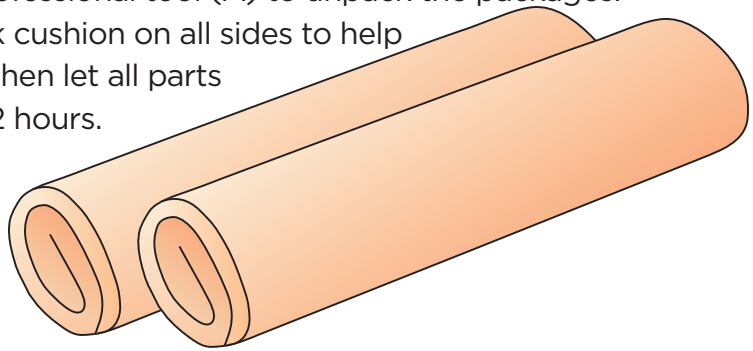

1.Press the cylindrical pin on part B and insert it into tube C and D. Align with the hole inside the tube and release to lock in place. Install all 6 parts B: 2 into part C and 1 into part D.

2.Please use the professional tool (A) to unpack the packages. Gently pat the back cushion on all sides to help it regain its shape, then let all parts stand for at least 72 hours.

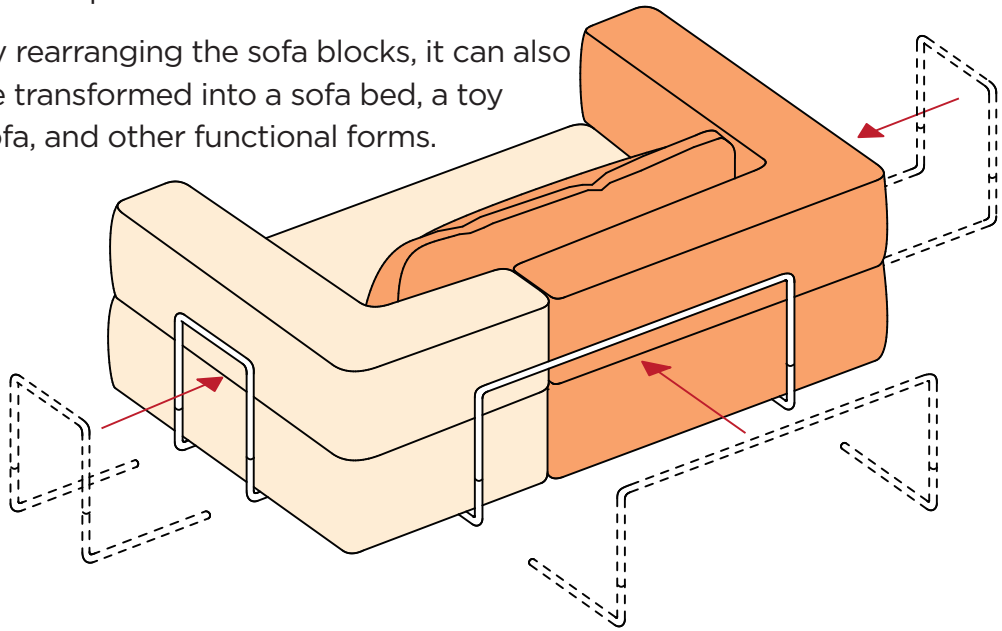

A

3.Insert the large metal frame and two smaller ones into the three bottom positions of the sofa to stabilize the structure.

By rearranging the sofa blocks, it can also be transformed into a sofa bed, a toy sofa, and other functional forms.

Assembly instructions

Notice : The above are suggested configurations to inspire creativity. More combinations are possible to encourage children's imagination. The sofa blocks have some weight, so adult assistance may be needed.
